(A) Commission

(1) The Commission shall consist of three commissioners appointed by the Chairman of the Nation with the approval of the Legislative Council. The term of office of commissioners shall be three years, except that the terms of the initial commissioners may be for shorter or longer terms to implement the staggered terms. The term of one member shall expire on the third Monday in January each year. A commissioner may be removed by the Chairman of the Nation for cause. A recommendation by a majority of the commissioners to remove a commissioner shall constitute cause for removal. Any vacancy in the commission because of death, resignation, removal, or any other cause shall be filled for the unexpired portion of the term in the manner prescribed for the appointment of commissioners.

(2) Two members of the Commission constitute a quorum for conducting business. A concurrence of two members is necessary to render a decision by the Commission. Emergency ringside meetings may be held immediately prior and subsequent to a scheduled Contest for the purpose of determining whether or not there has been a violation of the rules and regulations of the Commission or the provisions of this Chapter.

(3) A commissioner shall not during his term of office promote, sponsor or have any financial interest in a boxer, a contest or in the premises leased for a boxing contest.

Any such waiver shall be limited in applicability to a particular Contest and shall be documented by the Commission and accompanied by an explanation of the purpose for granting the waiver.

(B) The Commission shall obtain from a licensed physician rules and standards for the physical examination of boxers, Contestants, and referees. A schedule of fees to be paid physicians by the promoter or matchmaker for the examination shall be set by the Commission.

(C) Until the Association of Boxing Commissions approves standardized rules that are implemented in states that use rules identical or substantially similar to the rules adopted by the New Jersey State Athletic Control Board, the Commission shall use health and safety regulations for Unarmed Combat that are consistent with the Mixed Martial Arts Unified Rules of Conduct adopted by the New Jersey State Athletic Control Board. After the Association of Boxing Commissions approves standardized rules that are implemented in states that use rules identical or substantially similar to the rules adopted by the New Jersey State Athletic Control Board, the Commission shall use the Association of Boxing Commissions’ standardized rules for Unarmed Combat. Any rules adopted by the Commission shall be codified in Article 3 of this Chapter. Nothing in this subsection prevents a promoter of an Unarmed Combat event held within the territorial jurisdiction of the Tohono O’odham Nation from prohibiting specific types of conduct for that particular event that are allowed under the rules adopted by the New Jersey State Athletic Control Board, the Association of Boxing Commissions, or the Arizona State Boxing Commission.

Section 5107 Jurisdiction of Commission

(A) The Commission shall:

(1) Have sole direction, management, control and jurisdiction over all Contests held on lands over which the Nation exercises governmental jurisdiction, unless exempt from the application of this Chapter by section 5102.

(2) Have sole control, authority and jurisdiction over all licenses required by this Chapter.

(B) The Commission shall grant a license to an applicant if, in the judgment of the Commission, the financial responsibility, experience, character and general fitness of the applicant are such that his participation is consistent with the public interest, convenience or necessity and the best interests of the sport and in conformity with the purposes of this Chapter. The Commission may delegate the Commission's licensing authority to the Commission's executive director.

Section 5108 Persons required to procure licenses; requirements; background information; fee; bond

(A) All referees, judges, matchmakers, promoters, trainers, ring announcers, timekeepers, ringside physicians, Contestants, boxers, boxers'/Contestants’ managers and boxers' seconds are required to be licensed by the Commission. The Commission shall not permit any of these persons to participate in the holding of any Contest unless the person has first procured a license.

(B) Before participating in the holding of any Contest, a corporation, its officers and directors and any person holding 25 percent or more of the ownership of the corporation shall obtain a license from the
Commission. Such a corporation must be authorized to do business under the laws of the State of Arizona or of the Tohono O'odham Nation.

The fee may include a reasonable charge for expenses incurred by the Commission or by a criminal justice agency.

(D) Before the Commission issues a license to a promoter, matchmaker or corporation, the applicant shall:

(B) The promoter of each Contest shall be responsible for paying all fees and expenses associated with the Contest, including all fees charged by the Commission and the fees and expenses of physicians,
referees, judges, timekeepers, and announcers. The Commission will determine its fee for each fight based a percentage of the projected ticket sales, with the percentage set by the Commission. The promoter will be required to pay the required fees and expenses no less than 24 hours before the Contest. In addition, the promoter will be responsible for providing the Commission with all requisite documentation to ensure proper payment of all fees and expenses due and owing. If a promoter defaults in paying the required fees and expenses, in whole or in part, the Commission may initiate administrative regulatory action against the promoter and/or commence a civil action to recover any fees or expenses owed. The exercise of one legal remedy by the Commission shall not preclude the exercise of other remedies.

(C) The Commission may require a person or corporation licensed under this Chapter to supply a certified financial audit to the Commission, unless the entity licensed is the Nation or an enterprise of the Nation. The financial statements prepared pursuant to this section shall be prepared in accordance with generally accepted accounting principles and shall include any additional schedules the Commission may require. A person subject to a financial audit under this section shall afford reasonable and needed facilities and make returns and exhibits to the Commission in the form and at the time prescribed by the Commission.
