Section 1101 Short Title

This chapter may be cited as 21 T.O.C. Chapter 1 - Alcoholic Beverages Licensing and Control.

Section 1102 Interpretation

This chapter shall be deemed an exercise of the police power of the Tohono O’odham Nation for the protection of the public welfare, health, peace and morals of the people of the Tohono O’odham Reservation and all provisions of this chapter shall be liberally construed for the accomplishment of this purpose.

Section 1103 Prohibition

The introduction, sale, possession and consumption of spirituous liquor within the exterior boundaries of the Tohono O’odham Reservation in violation of the federal Indian liquor laws, 18 U.S.C. 1154 and 1156, or in violation of the Criminal Code of the Tohono O’odham Nation is prohibited, except within the exterior boundaries of any of the twelve (12) Districts of the Tohono O’odham Nation which have, in accordance with the provisions of Section 1104 of this Article, sanctioned the introduction, sale, possession and consumption of spirituous liquor within the District in conformity with this chapter.

Section 1104 District Option

Each of the 12 Districts of the Tohono O’odham Nation are empowered to sanction the introduction, sale, possession and consumption of spirituous liquor within the exterior boundaries of the District in conformity with this chapter as follows:

(A) District Council: The District Council may by action of a majority of its members sanction the introduction, sale, possession and consumption of spirituous liquor within the exterior boundaries of the District. The action of the District Council shall be memorialized by formal resolution and shall be submitted to the Tohono O’odham Legislative Council for approval. Upon approval of the resolution by the Legislative Council, the introduction, sale,
possession and consumption of spirituous liquor in conformity with this chapter shall be lawful within the exterior boundaries of the District.

(B) Election: The question of whether a District should sanction the introduction, sale, possession and consumption of spirituous liquor within the exterior boundaries of the District in conformity with this chapter shall be put to a referendum vote of the registered voters of the District upon receipt by the Tohono O’odham Election Board (1) of a resolution of the District Council requesting such referendum election, or (2) of a petition of registered voters of the District requesting such referendum election signed by at least ten per cent of the number of voters voting for candidates for the office of Representative to the Legislative Council from the District at the last general election of the Tohono O’odham Nation. Upon receipt of a petition the Election Board shall determine whether a sufficient number of registered voters from the District have signed the petition. If the resolution or valid petition is received by the Election Board within 180 days prior to the general election of the Tohono O’odham Nation, the referendum ballot shall be submitted to the voters at the general election. If the resolution or petition is received by the Board at any other time, it shall conduct a special referendum election in the District within ninety days of receipt of the resolution or valid petition in conformity with the Uniform Election Chapter on a date designated by the District Council. The referendum ballot shall contain the following question:

“Shall the introduction, sale, possession and consumption of spirituous liquor be made lawful within the exterior boundaries of this District in conformity with the Alcoholic Beverages Licensing and Control Chapter of the Tohono O’odham Nation?”

The registered voters of the District shall vote on said question, those in favor voting “Yes” on their ballots and those opposed “No”, and the Election Board shall determine the number of votes cast for and against the referendum measure, and shall issue and post its Certificate of Election Results in conformity with the Uniform Election Chapter. If a majority of the votes cast was in favor of the referendum measure, the Legislative Council shall at its next meeting issue its certificate of election and the introduction, sale, possession and consumption of spirituous liquor in conformity with this chapter shall thereafter be lawful within the exterior boundaries of the District.

If, prior to the last day of such posted notice, ten or more persons residing within a one-half mile radius from such location, or the Village Council of the village within which such store is to be located, shall file a protest with the District Council of the District averring that the location is objectionable because of its proximity to a church, a school, or to a private residence, the District Council shall forthwith hold a hearing affording an opportunity to the protestants and to the commission to present evidence. Proof of posting such notice shall be filed with the District Council and with the commission. The District Council shall then hold a hearing affording an opportunity to any protestants and the applicant to present evidence. The District Council shall render its decision and from this decision there shall be no appeal. If the District Council should recommend approval of the application, it shall file a copy of the Resolution certifying such approval with the commission and the commission shall set the application for hearing by the commission.
