C. In cases where permanent or indefinite exclusion is sought by the Tohono O'Odham Nation, or where the ground for exclusion is violation of federal, state or tribal laws, and the factual basis is disputed by the non-members, the facts supporting exclusion must established by clear and convincing evidence. In any other case, the facts supporting exclusion must be established by a mere preponderance of the evidence. Each decision and order of exclusion shall be in writing and shall be based only upon facts and law presented at the hearing.
D. Upon a finding that no cause for exclusion of the non-member exists, the Tohono O'Odham Judicial Court shall dismiss the Complaint.

Nothing in this Chapter shall prevent a member of the Nation, a Tohono O'Odham Police Officer, a BIA representative, or the Nation's Chairman or the Nation's Prosecutor from applying to the Tohono O'Odham Judicial Court for an emergency exclusion order removing a non-member bodily from all or any part of the Tohono O'Odham Nation prior to an exclusion hearing if:

1. there is an immediate danger to life, health or property of the Tohono O'Odham Nation or any of its members; or

2. the non-member is engaged in conduct which constitutes a criminal offense and poses immediate danger or irreparable damage to any person or property.

F. Detention pursuant to subsection E may be accomplished either for the purpose of turning over the non-member to the officials or courts of the United States or the State of Arizona, or for the purpose of detaining a non-member in order to seek an emergency removal order from the Tohono O'Odham Judicial Court under this section.
